

# GROUND RULES

- THINK about what you are learning - use your own experience as a consumer to help your learning.
  - Don't be afraid to express your opinion.
  - Ask if you don't understand.
  - When you need to work in a team, work in a team!
  - Homework is not optional.
  - Classes are for working in – the classroom is a workplace not a social event.
- and finally...

COPY + PASTE = ZERO
