

2º Pre U Global Perspectives: Course Summary

Course content: Due to the nature of this course, much of the course content will be developed throughout the year rather than pre-planned, as it will depend both on student and teacher interest and current affairs. For this reason the programme will not be completed prior to the start of the course.

Term	Objectives (what will we study?)
introduction	<p><i>Introductory PPT</i> <i>Introduction to the course; the critical path approach to information gathering, analysis, evaluation and communication.</i> <i>Presenting work</i> <i>The AS syllabus and exam structure</i></p> <p>Tomatina Festival STEEPLE analysis</p>
